**Subject:** [External] RE: Requested Increase in Rates - Docket No. 2021-346-T

Dear Mr. Butler.

We apologize that you have not received the substantiating information for our tariff increase request. For your reference I am attaching our tariff request application for our rate increase as well as the docket letter we included in our application package. The tariff letter states our justification for requesting the increase.

Please let us know if this covers the information you are asking for or if you need any other information.

We do appreciate the Commission approving our request for a waiver of publication.

Thank you for all of your assistance,

Jacquie

**Subject:** Requested Increase in Rates - Docket No. 2021-346-T

To Kelly Moving, Inc.:

The Application for tariff amendment to increase the Company's rates does not appear to include any justification for the requested rate increases. Please forward your reasoning for the requested increases in Company rates. It would be helpful if the Commission could receive the information by the close of business on Tuesday, November 23, 2021. Please also serve the information on counsel for the Office of Regulatory Staff. (Any communications with the Commission must be copied to ORS counsel.)

Thank you.
